Heartland Chamber Music is seeking 2 Lead Teachers who are motivated, reliable, and enthusiastic string instructors for the groundbreaking String Sprouts program.

Organization Summary

The mission of Heartland Chamber Music is to connect, engage and inspire students of all ages through a lifetime of music education and performance. The organization has served more than 3800 students and presented more than 142 concerts throughout the past 16 years through year-round and summer chamber music programming. HCM has been invited to pilot String Sprouts before it is launched on a national level.

String Sprouts is a groundbreaking music program created by the Omaha Conservatory of music for ages 3-8. It is based on the key components of the Suzuki Violin Method and El Sistema and has gained national attention through its innovative 5-year curriculum. Omaha is serving over 880 young students in its 4th year, and research results have shown a strong correlation between Sprouts and academic success.
